FIRST CAUSE OF ACTION
VIOLATIONS OF THE AMERICANS WITH DISABILITIES ACT

13. Plaintiff re-avers and re-alleges the allegations set forth above, as though fully set forth herein.

14. On or about July 26, 1990, Congress enacted the Americans with Disabilities Act, 42 U.S.C. § 12101, *et seq.*

15. Congress specifically found, *inter alia*, that:¹

- a. Some 43,000,000 Americans have one or more physical or mental disabilities, and this number is increasing as the population as a whole is growing older;
- b. Historically, society has tended to isolate and segregate individuals with disabilities, and, despite some improvements, such forms of discrimination against individuals with disabilities continue to be a serious and pervasive social problem;
- c. Individuals with disabilities continually encounter various forms of discrimination, including outright intentional exclusion, the discriminatory effects of architectural, transportation, and communication barriers, overprotective rules and policies, failure to make modifications to existing facilities and practices, exclusionary qualification standards and criteria, segregation, and relegation to lesser service, programs, activities, benefits, jobs, or other opportunities
- d. Discrimination against individuals with disabilities persists in such critical areas of employment, housing, public accommodations, education, transportation, communication, recreation, institutionalization, health services, voting, and access to public services; and,

¹ 42 U.S.C. § 12101(a)(1) – (3), (5), and (9).

- e. The continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our free society is justifiably famous, and costs the United States billions of dollars in unnecessary expenses resulting from dependency and non-productivity.

16. Congress explicitly set forth the purpose of the ADA; to wit:²

- (i) Provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities;
- (ii) Provide a clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; and,
- (iii) Invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced day-to-day by people with disabilities.

17. The congressional legislation provided commercial enterprises with a period of one and a half years from the enactment of the statute to implement the requirements imposed under the ADA.

18. The effective date of Title III of the ADA was January 26, 1992 (or January 26, 1993, if Defendant has 10 or fewer employees and gross receipts of \$500,000.00 or less).³

19. Pursuant to 42 U.S.C. §1281(7) and 28 C.F.R. §36.104, the Subject Facility, which is subject to this action is a public accommodation because it provides good and services to the public.

² 42 U.S.C. § 12101(b) (1)(2) and (4).

³ 42 U.S.C. § 12181; 28 C.F.R. § 36.508(a).

21. Pursuant to the mandates of 42 U.S.C. § 12134(a), on July 26, 1991, the Department of Justice, Office of Attorney General, promulgated federal regulations to implement the requirements of the ADA (the “ADAAG”).⁴
22. Public accommodations were required to conform to these regulations by January 26, 1992 (or January 26, 1993, if Defendant has 10 or fewer employees and gross receipts of \$500,000.00 or less).⁵
